

Ladakh is home to around 300 species of birds and is a paradise for birdwatchers. During the summer months it is one of the best places for birdwatching and our experts will take you on a journey to high altitude birds of Himalayas and the Wetlands of Changthang Plateau.

Some of the birds that you will see are Golden Eagle, Lammergeyer, Tibetan and Himalayan Snow cocks.

At the wetlands you can see the rare and endangered Black Necked Crane apart from Bar- Heeded Geese, Rudy Shelduck , Great Crested Grebe and the Sand Plowers of different kinds.
