

### **Quest for Snow Leopard:**

Mountain Initiatives provides you the unique & rare experience of finding the elusive and endangered Snow Leopard. With its team of best Snow Leopard naturalist we will take you into one of the best Snow Leopard habitats of the world.

While on the trek you will also have the opportunity to stay in Home Stays and in tents in the prime habitat. Other wildlife that you will see are the Blue Sheep, Ladakh Urial and the Tibetan Argali.

Contact Us to book a '[Snow Leopard Trek](#)'.
